1... -->Dear Dept. of Energy, Thank you for listening to my thoughts concerning the  
transport and deposit of nuclear waste to and at Yucca Mountain Site. I live in  
Waterford, CT., home of the three Millstone reactors. [ As a resident of a reactor  
community most would think we want the waste to be sent to Nevada. But I am one  
resident who strongly disagrees with that notion. I am extremely concerned that the  
nuclear industry is using this present bill S. 1287 to create the illusion that the  
2... nuclear waste dillema is solved. We know that is not true. [ In fact information I  
have reviewed tells the truth, that the Yucca Site is not suitable for the vast  
amounts of nuclear waste your department has allowed to be created in our society.  
1 cont. And there is no end in sight. [ I am writing to you today that I am outraged that this  
2 cont. DOE continues to even allow this material to be made in the first place. [ Yucca  
Mountain Site probably is not the place to keep this deadly material for generations  
to come. [ But we certainly shoul
